## MICHIGAN WEEK EMBLEM FEATURES FRIENDLY PEOPLE

A drawing of friendly people and an outline of the state accompanied by the theme "Michigan — Land of Hospitality" will be the emblem of the 1968 Michigan Week May 19-25.

An appeal to business firms, schools, organizations and individuals to begin displaying it everywhere early in the spring was made by Win Schuler of Marshall, general of Michigan Week, in announcing the emblem.

Posters, placemats, lapel pins and other promotional materials bearing the emblem are being prepared by the state committee and will be sold at cost, but Chairman Schuler invites companies and groups of all kinds to make and display original posters and create their own versions of the emblem, using the three elements: friendly people, the map and the theme. It is still the emblem, with or

without the dates of Michigan Week.

Of the materials offered by the state committee, the several sizes of posters carry the Michigan Week dates but some items, as lapel pins and placemats, are always prepared without dates to be as useable the year around as in the springtime period leading up to Michigan Week when the state promotion by Michigan citizens is at its height.

"Of course we want everybody to take part vigorously in Michigan Week in May," Schuler said, "but the dates are incidental. Michigan Week is not a time of year. It is a great movement by Michigan people working as volunteers for the promotion and progress of their state. It goes on the year around and reaches a big, glorious climax in May."

This is the first year since Michigan Week began in 1954

that the emblem hasn't included a bird. For 12 years the robin, Michigan's official state bird, was always present, sometimes in a sailor's cap, sometimes in a drum major's attire, always jaunty. In 1956 and '67 the emblem showed three gulls soaring over the Mackinac Bridge.

## Wakeley - Moshier Vows Said January 13, 1968

The marriage of Miss Kary Lynn Wakeley, daughter of Mr. and Mrs. Seeley Wakeley of 608 Clyde, Grayling, and Roger Allan Moshier, son of Mr. and Mrs. Charles Mosler of 304 Maple St., took place on Saturday, January 13, 1968. The double-ring ceremony was performed by Father William McKnight and blessed by Reverend Robert Haskel at two o'clock at St. Mary's Church before 150 guests. Sister Janet played the organ and the choir sang "Bouquet of Gladness" and "Chrysanthemums." The bride wore a gown of white tulle with a long train and a full skirt. The groom wore a tuxedo. The ceremony was held in the chapel of St. Mary's Church.

For her wedding, Kary chose a gown of imported Chantilly lace. The round neckline was adorned with seed pearls. A sat-in bow graced the bodice, which was designed with wrist-point sleeves. The floor-length full skirt ended in a scalloped hem, falling in a chapel train at the back.

Maid of honor was Marie Chalette of Bay City, and bridesmaids were Celia Jean Moshier, sister of the groom, and Gail Chalette. Their dresses were of floor-length forest green, with mint green bows at the fitted bodices and mint green front pleats. They wore flower-shaped headresses sprinkled with pearls, and mint green slippers. Their flowers were fugi-mums.

Serving as best man was Thomas Latuszek, with Herluf Moshier, brother of the groom, and Charles McLeod as groomsmen. Seating the guests were Richard Moshier, brother of the groom, and Seeley Wakeley, brother of the bride.

Mrs. Wakeley wore a gold velvet A-line style dress and white carnation corsage. Mrs. Moshier wore a purple print with white carnations.

Immediately following the marriage, coffee and doughnuts were served at St. Mary's Hall. An evening reception was held at the Bowhunters Club.

For her going-away attire the new Mrs. Moshier wore a red velvet tent dress with black accessories, and the orchid from her bridal bouquet. The couple will be making their home at

506 Cedar Street in Grayling. Mrs. Moshier is a 1967 graduate of Grayling High School. Her husband graduated in 1966 from Grayling High and a year later from the General Motors Training School in Detroit.

Enroute to a Florida honeymoon the newlyweds met with an auto accident at St. Helen on Sunday, and were forced to make a change in plans when Mrs. Moshier wound up with a cast on her broken leg.

Guests attending the wedding and reception were from Bay City, Detroit, Cadillac, Flint and Warren.

## PAPENFUS - JOSE WED IN DECEMBER

The marriage of Miss Ruth Papenfus, daughter of Mr. and Mrs. Roy Papenfus of Maple Forest Township, to Phil Jose, son of Mr. and Mrs. Chester Jose of Midland, took place December 23, 1967, at the Calvary Baptist Church in Grayling. The 6:30 p.m. ceremony was performed by the Reverend Claire Olin of Frederic before 150 guests.

Given in marriage by her father, Ruth chose a gown with lace bodice styled with Empire waist and A-line skirt of heavy satin with train attached at the waist. Her flowers were white sweetheart roses with ivy. Attending the bride were her sisters, Kathy Papenfus as maid of honor, and Mrs. Steve Englund as bridesmaid, with little Sandra Kay Bradstreet of Gaylord as the flower girl.

Best man was James Frost of Sanford. Dennis Jose, brother of the groom was groom's attendant, and Paul Benedict of Alpena, ring bearer. Ushers were Kenny Bradstreet of Pellston and Donald Allen of Bay City.

A reception was held at the Frederic Town Hall immediately following.

The new Mrs. Jose is a graduate of Frederic High, has attended Baptist Bible College of Grand Rapids, and is an L.P.N. graduate of Northwestern Michigan College, Traverse City. Her husband is a graduate of Midland High and is now a sophomore at LaTourneau College, Longview, Texas, where the couple is presently residing.

Guests attending the wedding and reception were from Midland, Flint, Oscoda, Warren, Sanford, Bay City, Freeland, Omer, Standish, Alpena, Hart, Sault Ste. Marie, Gaylord, Pellston, Houghton Lake and Roscommon.

## NEED HELP ON EROSION PROBLEM?

By Daniel Kesselring

Have you ever noticed a sloping roadbank shredded into ridges, its remains deposited in a ditch below? Or a busy stream that has devoured a steep bank, leaving hairy roots peering over the gap? Examples can be found in many places on roads and streams in the Crawford - Roscommon Soil Conservation District. These are both examples of Mother Nature's old foe — erosion.

The scene erosion leaves isn't pleasant, but the results of the misplaced soil are even worse. That streambank, for example, has to stop somewhere. It may fill up the bed of the stream and result in flooding, or hit a snag, build up, and change the course of a river so that valuable land, once free of water, is carried downstream too.

Muddy streams are a poor habitat for fish and other wildlife, and waters filled with sediment are undesirable recreation areas. To correct any or all of these results is, understandably, very expensive, in fact 60 times more expensive than keeping the soil in its original place.

Preventing erosion in such instances is really very simple. Roadsides covered with good soil are safe. Water that would flow down the slope from above can be re-routed safely to a ditch below, or barriers can be constructed to slow the water's descent and minimize its effect on the slope.

Streambanks can also be protected with thick sod or with rocks. Sometimes just removing a snag in the water will prevent the stream from undercutting its banks. However, you should be careful when removing snags from a river for many of these snags are protecting rather than endangering the river. Normally, the best protection for a stream is natural vegetation.

If you have an erosion problem on your land that needs attention, contact Dan Kesselring, Soil Conservation Service, serving the Crawford - Roscommon Soil Conservation District located in the Roscommon County Building, Roscommon, Mich.

## Get the Bill

The federal government has grown to such size that it is beyond comprehension. According to Representative Otto E. Passman of Louisiana, it has searched the 1300 page fine print Budget of the United States for every foreign aid item. It is labeled as foreign aid items are but a fraction of the foreign aid items in the 1300 page bill. Representative Passman is attempting to find out what the total foreign aid figure really is. From your own experience, you know that of your representatives in Congress were not special experts before they took office. Neither most of them familiar with all the different parts of the U.S., let alone virtually every country in the world where we are now spending money. Billions of dollars of expenditures they authorize beyond the comprehension of most men.

We might as well recognize the fact that the money is coming when the taxpayers are going to pay for all the "give-aways" Congress has out, even though they are to blame for it, then. Soon now, the presidential advisors in Congress are going to have to run the U.S. on a solvency basis under a reasonable tax provision instead of on a free-wheeling spending policy. Encourage the spending unless you are ready to pay in higher prices or higher taxes.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEAR AGO

Jan. 25, 1945

In the current drive by the Crawford County Chapter of the National Foundation for Infantile Paralysis the Township of Frederic has turned in its quota and then some, according to Mayor George Burke, Crawford County chairman. Mrs. Harry Horton is the chairman for Frederic. The drive is going well elsewhere in the county also, Chairman Burke said.

Contracts have been let to the Russell Mfg. Co. of Gaylord for the production of Tommy Tucker toys. Machinery is now being installed and work is expected to start in the new factory within the next week. The plant will do mostly sawing and sanding, with the finishing being done at the local factory. The toys are made of wood and are in great demand and the existing factories have found themselves unable to keep up with their orders. Tucker returned to Grayling Tuesday and expects his factory here to be working at capacity production immediately.

Emily Geigling of Saginaw and her cousin, Alice Johnson of Hale, are spending the days between terms with the former's parents, Mr. and Mrs. Emil Geigling.

## Ski Safely

By Merrill Lacasse

This winter about five million Americans will be skiing on private and public lands. Outdoor USA the 1967 Yearbook of Agriculture suggests these basic rules adapted from the National Ski Patrol to help you ski safely:

1. Learn the proper way to carry your equipment.
2. Make sure all your equipment is in good condition and adequate for you. Use your safety straps.
3. Never ski a hill you aren't ready to handle. Proper instructions will help you to enjoy it.
4. Learn how to use tows and lifts properly. Loose clothing or long hair, unless properly worn, can entangle you with the tow or lift. Keep ski tips up when getting on or off a chair lift. Make certain that nothing will catch when you get off a tow.
5. Learn how to fall properly.
6. If you fall, get up and immediately go to the side of the slope to make any necessary adjustments.
7. If you make a "sitzmark" (hole in the snow), fill it up so the next skier won't trip on it.
8. Don't swing poles above your waist.
9. Yield to the skiers downhill. A "track left" or a "track right" warning doesn't give you the right of way.
10. Don't ski when you are tired. Never ski off alone.
11. Ski in control and enjoy yourself.

A nightly blanket of darkness save only for lights essential to public safety is scheduled for Grayling on February 1, in compliance with a War Production Board "brownout" order which is regarded as the most drastic home front measure yet taken. The WPB order is made in an effort to conserve the dwindling coal supply of the nation. Although nearly all of the electric power used in Grayling is generated at the city-owned light plant which operates from fuel oil, it is expected that Grayling must go along on the nationwide order. There is hope, however according to City Manager George Granger, that due to the use of fuel oil for the generation of electric power here that Grayling may be exempted from the order a little later on.

At Houghton Lake Tuesday night the Reserve Basketball squad gained sweet revenge when they came from behind a 7-2 halftime score to tie the score at 19 all in the final minutes of play. With two seconds left, Muhr sank a free throw to put the game on ice 20 to 19. Nelson, Muhr, Mathewson and Craft with 7, 6, 5, and 3 points spark plugged the offense that beat the team that had whalloped them by 35 points at Grayling earlier in the season. Penny, Smock, D. Burns, and Miller also turned in good games in gaining the first reserve victory of the year. The varsity game was another ding-dong battle with Houghton Lake holding a 11-7 advantage at the half. The Grayling squad came back strong to tie the score in the third quarter and the fourth stanza opened with the count of 14 all. Hughes, giant Houghton Lake center, then went to work with his pivot shot and dropped in two baskets and a free throw to lead his team mates to a 22-16 decision in the closing minutes of play.

The home of Mr. and Mrs. J. E. Kellogg of Lovell was made very happy this last week when their son, Pvt. Guy Kellogg came home from overseas. This is Guy's first homecoming since entering the service as an enlisted man at the beginning of the war. Many of the sisters have been home to welcome him and also his many friends are very happy to have him back and only wish the 30 day leave meant home for good.

## Prepared Apps Now All Out

LANSING — If you are a Michigan vehicle owner and have not received a prepared license plate application in the mail, forget it... you won't get one this year.

All prepared applications were mailed out weeks ago to be received by November 1, explained Secretary of State James M. Hare. No owners will get them at this late date.

Procedure to be followed by these vehicle owners is the same as it has been for some years now.

"Just go to the nearest branch office of the Secretary of State and fill out a blank application," said Hare.

He cited several reasons why some owners did not receive prepared license plate applications: (1) Vehicles purchased or titled after the cutoff date of June 1. This category represents by far the largest number of vehicle owners, about 1 million.

(2) Information on registration forms which had obvious errors. "Purpose of the prepared applications was to correct errors from our list, not perpetuate these errors. Instead, they will now be corrected by the owners filling out new applications."

(3) Prepared applications which were returned to the Michigan Department of State for reasons such as "moved, left no forwarding address" or address unknown. There were 70,000 of these.

(4) Typing which could not be read or made out. Rather than take a chance on a mistake in the final record, these were rejected in favor of having owners make out their applications.

Hare said refinements in the prepared application program were being readied for next year. "Main purpose of the mailed applications this year is to establish an accurate file of all vehicles which can be mechanized for our computer," notes Hare. "When this operation is completed, we will be able to gather information on any vehicle in Michigan within a matter of seconds. At the same time, we have made the job of the

weekend in Detroit with F. 1/c Norval Stephan, who had a 72 hour pass from his New York base.

Edwina Simpson of Saginaw spent the weekend with her parents, Mr. and Mrs. Wilbur Simpson. Mrs. Simpson has been ill for the past two weeks, but is on the road to recovery now.

Mr. and Mrs. Carl Stolke of West Branch spent the weekend with their aunt and uncle, Mr. and Mrs. Charles Post of Frederic.

Mrs. J.F. Cook is recovering from a severe attack of "flu" which has kept her at home for more than a week.

The Joseph Stripes entertained on the evening of the 20th a party of eight who assembled quite often on Saturday nights for a cribbage tournament.

George Granger ended with high score, while Wesley Kumpala was at the other end of the column.

Mrs. Frank Schmidt and Mrs. John Mallingier took their Sunday School classes from the Mchelson Memorial Church on a sleighride last Sunday evening. They returned to the church for refreshments after the ride. A sprained ankle was the only casualty.

Mr. and Mrs. Frank Bond went to West Branch last Thursday, where they joined Lt. and Mrs. Eugene Lawler former Grayling teacher, for dinner at the Ogemaw Hills Hotel. Lt. Lawler was on leave from the Chinese Army Training Base in Texas, where he has been stationed recently.

Lt. Hugh Cook of Alpena, has

been spending several days with his brother and sister-in-law, Dr. and Mrs. J. F. Cook. Lt. Cook is on leave from Camp Gruber, Oklahoma, where he is a member of the Medical Corps.

Mrs. John Mallingier has received a package from her brother, Sgt. Kenneth Hoesli who is stationed in New Guinea. The bundle contained about 14 spears and arrows and two bows that are used by the natives there for fishing. Anyone who is interested in the "hooks and lines" used by the New Guinea natives are invited to stop and see them.

Seelye George Wakeley SF 3/c son of Mr. and Mrs. Barton Wakeley, has received the rating of Petty Officer 3/c. Seelye is stationed on Midway Island. He has been in the Navy eight months.

Seaman 2/c Charles Robert Ryan made a flying visit to his mother, Mrs. Lillian Ryan, early this week when he received a 44-hour pass from the Grosse Ile Naval Air Station.

George Anscomb accompanied by Mr. and Mrs. Claude Nash of Saginaw, arrived in Grayling last Sunday to visit the former's sister, Mrs. Clare Rood. Together they went on to Wolverine to visit another sister. George is home from 37 months service in the South Pacific. While on Bougainville, George was fortunate enough to get together with Norman Parker, Bert Slingerland and Robert Feldhauser who were also stationed there.

Staff Sgt. Lewis A. Rutkowski arrived back in the States last Friday after serving in China

and India as a radio operator with the Air Corps. He telephoned his mother from Miami, Fla., to say that his expected furlough was not forthcoming at present, but he'll keep hoping for it.

Danny Lee is the name of the boy born to Mr. and Mrs. Charles Tinker on the 12th. The young man has ten brothers and sisters, but will have to be introduced to three of his brothers later. They are in the service.

Mrs. R.M. Hayes was hostess to the Wednesday Evening Bridge Club last week at her home, 609 Park Street. Mrs. Willard Cornell finished with high score for the evening. Guest of the club was Mrs. Franklin P. Hills who took the place of Mrs. Ina Cook, who was ill.

Adaptability—that's one of the outstanding features of a compact, fast-recovery Electric Water Heater. Because it requires no air circulation—no flues or vents—it can be put back under a stairway or even inside a closet or under a counter. That means you can save valuable floor space by tucking the water heater back out of the way. It also means you can install it near the point of greatest use and thereby eliminate long pipe runs and wasted water.

Of course adaptability is only one of the many advantages of an Electric Water Heater. It's clean, dependable, fully-insulated and, most important—it will keep you in plenty of hot water!

## Hospital Auxiliary Enjoy Luncheon

On Thursday January 18 even the weather cooperated to make a success of the card party and dessert luncheon given by the Mercy Hospital Auxiliary. The Grayling Women's Club loaned the Auxiliary the use of their clubrooms and equipment.

Mrs. Jack Wainwright was the chairman. Mrs. Carl E. Johnson and Mrs. Barney Engel were in charge of refreshments. Mrs. Alice Lozen, Auxiliary President, greeted the guests and Mrs. William Heric, treasurer, took care of finances. Mrs. Hamah Langenberg and Mrs. Wilfred Laurant were in charge of the kitchen. Other members made arrangements and provided prizes. Dessert and coffee were served when the ladies arrived and bridge and pinocle were played for the rest of the afternoon. Seventeen tables were set up and the proceeds will be added to the Auxiliary fund which each year provides a needed piece of equipment for Mercy Hospital.

The Auxiliary wants to thank the Women's Club and the ladies who attended for their contributions.

**American Legion Auxiliary 3338**  
The Auxiliary met at the American Legion Hall January 5 and after a delicious potluck supper the meeting was opened and a new member welcomed. Mrs. Mary Walker was given her obligation.

The mystery prize was won by Blanche Axelton.

Membership Chmn. Beryl Moore is planning a membership drive so let's all help. Meeting was closed to open February 6.

**MOOSE NEWS**  
The next enrollment is Saturday, February 3rd, at 8 p.m., by the Bellville degree team. The March enrollment ceremonies will be in honor of Alfred Hanson, who recently retired as Lodge Secretary. The degree work will be done by the local degree team.

Prior to the enrollment Saturday, February 3rd, members of the fellowship degree will sponsor a Swiss steak supper. It will be prepared and served by the fellowship degree. Tickets are available from members and at the door.

If all goes well the new Lodge furnace should be installed soon. Congratulations go to the Chuck Deckers, on the arrival of little David Arthur.

In the hospital this week are Les Owens at Mercy, Bill Fitzgerald and Bill Jones at Vets Hospital in Saginaw.

Did you realize that a nominating committee must be appointed next month?

Convert your home or business to economical natural Gas heat today and pay nothing for six months.

Convert now to Gas heat, and Michigan Consolidated Gas Company will buy your unused oil or coal—even remove your oil tank—all at no cost to you. What's more, whether you convert your present furnace, or even install a new Gas furnace, we'll pay the bill. And all you pay us, for the next six months, is for the Gas you'll use to make this your most comfortable winter ever. Here's how this special offer works:

1. If you're now heating with oil, we'll buy what's left in your storage tank—at the price you paid for it. What's more, we'll remove your oil tank from your home or business and even haul it away if you want. All at no cost to you.
2. If you're now heating with coal, we'll take what coal you have on hand, off your hands. And pay you what ever it cost you originally.
3. Whether you convert your present furnace, or even install a new Gas furnace, we'll pay for it and its installation by a participating Gas heating contractor, and it won't cost you a penny for six months after installation. At the end of six months, you can pay for the unit and its installation with no carrying charge whatsoever. Or if you prefer, you can then start making equal monthly payments, including carrying charges, on your Gas bill, over a period of up to three years. Either way, there are no carrying charges until six months after installation, and you need make no payments until then. If you live in the areas we serve, you're entitled to take advantage of this special offer. So act now. Call your participating Gas heating contractor or Michigan Consolidated Gas Company office today for details.

Remember, too—when you heat, with natural GAS—you save up to 1/3 on your heating bills.

GAS MAKES THE BIG DIFFERENCE... COSTS LESS, TOO. MICHIGAN CONSOLIDATED GAS COMPANY

## Obituaries

### Mrs. Celia Granger Dies at 92

Mrs. Celia Granger, 92, died Friday, January 19, 1968, at McReynolds Hall in Gaylord, where she had been living the past year and a half. Funeral services were held at one o'clock Monday from the Michelson Memorial Church with Rev. Charles Kolb officiating. Burial was in Elmwood Mausoleum with George Granger II, James Granger, George Granger III, Thomas Lamm, Gary Russell and Carl Hanson serving as pallbearers.

The former Celia Corwin was born March 21, 1875 in Van Buren Township, Wayne County, the daughter of Amos B. and Sarah Jane Corwin, who moved, with their family to Crawford County in 1893.

Celia was united in marriage to George Granger of Wayne County December 31, 1895, at Grayling. For three years following they lived in the Upper Peninsula, then the next ten years in West Virginia, Louisiana, and Mississippi. To this union were born four children, Howard, Isa (Mrs. U. Harley Russell), George and Helen (Mrs. Fred Lamm).

George Granger died in Hight, Miss. on June 19, 1909. After his death Mrs. Granger moved back to Grayling with her children and for ten years lived at 708 Maple Street resuming her dressmaking trade which she plied for many years. In 1919 she moved to 706 Chestnut St., where she lived until July, 1966 when she entered McReynolds Hall.

Mrs. Granger was a member of Michelson Memorial Church having joined in 1894. On October 24, 1954, she was given special recognition as a senior member. She had been a willing worker in the Ladies Aid, Missionary Society and later the WSCS, having been a member of the original Matilda Bauman Circle. She was also a member of Grayling Chapter 83, O.E.S.

Surviving are her four children Howard of Kalkaska, Isa of Lansing, George of Big Rapids, and Helen of Zephyrhills, Fla., five grandchildren and eight great grandchildren, also one brother, Nelson O. Corwin of Grayling. Four brothers and three sisters preceded her in death.

### Frederic Baptist Church

The Frederic Baptist Church is expecting 30 young people from the Moravian Church in Unionville for the 11 a.m. Sunday morning service, January 28th. Young people from Frederic, let's have one young person for every one they bring. Pastor Olin will bring a special youth message.

## Chamber of Commerce Minutes

Regular Meeting Grayling Regional Chamber of Commerce.

Jan. 4, 1968

Meeting called to order at 12:12 p.m. by President Gerry Burns.

Members present: Allan Barkley, Clyde Borchers, Gerry Burns, Ken Carlisle, Bill Kraus, Harold Macklon, Ed Rutkowski, Sal Truettner, and Don Welser.

Members absent: Ray Elsey, Charles Fick, John Latuszek, and Mahlon Riker.

Motion by Sal Truettner, seconded by Ed Rutkowski, that the minutes of the last meeting be approved as printed. All Ayes.

There were no communications to be read.

Due to the absence of Treasurer John Latuszek, there was no treasurer's report. A list of bills was presented. Motion by Allan Barkley, seconded by Bill Kraus, that these bills be ordered paid. All Ayes.

Reports of Committees: Don Welser, chairman of the Business Development Committee, asked Bill Kraus to report on the meeting with representatives of a prospective industry held in Grayling on December 27th. The group was shown several plant sites and through the Bear Archery Plant. Although there has been no decision, a letter of thank you for our efforts was received from the Michigan State Department of Commerce advising that the industrial representatives were very impressed with the Grayling area and that the Department of Commerce would certainly not have any qualms for bringing other interested groups into the area.

Mr. Welser stated that a regular meeting of the Grayling Regional Development Corporation is scheduled for this evening Jan. 4, and included on the agenda is "Drawing Up of Corporate Papers, Updating of Community Information in Data Book, and Discussion of Plans for Industrial Park."

Clyde Borchers, chairman of the Tourism and Resort Promotion Committee, reported that he has meetings scheduled for next week with the City Council, County Road Commission, and County Board of Supervisors with regard to printing of the new County maps.

Lon Qualls has accepted chairmanship of the Sports Car Races to be held on Lake Margrethe Feb. 17 and 18. Five hundred copies of a registration form and announcement with strip to tear off for registrations are being printed.

Borchers also reported that the Queens Pageant tickets are out and are being distributed through ticket chairman Al Siwert.

A motion was made by Allan Barkley, seconded by Don Welser, that after a profit figure from the Pageant is arrived at, the board will decide whether or not we can attend the Cleveland Travel Show. All Ayes.

The upcoming Winter Carnival weekend was discussed. Manager Longworth informed the Board of a request from a downstate helicopter service to come to Grayling and sell rides during this weekend. A motion was made by Don Welser, seconded by Clyde Borchers, that the helicopter service be invited to come to Grayling and that if Bear Mountain is not interested in having them at the park another location be investigated. All Ayes.

Motion by Allan Barkley, seconded by Don Welser, that street banners be purchased for the Winter Carnival Weekend. All Ayes.

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Much of the United Auto Workers' strategy in recent bargaining with industry has been dictated by the potential cost of strike benefits paid out of the union treasury.

Ford, rather than the bigger General Motors, faced a company-wide strike. Following the Ford strike, a contract with Chrysler was negotiated without resorting to a strike. Limited strikes would then UAW confronted General Motors, hoping that no more than a selective strike would be necessary. A total walkout at GM could cost the union up to \$55 million a month.

At the peak of the Auto Workers' strikes against General Motors, Chrysler and other companies, the reported cost in union benefits was \$4 million dollars a week. Walter Reuther, UAW president, pushed through a special assessment on all union members to help finance the walkouts.

But like Ford, he's got a better idea. Now he wants taxpayers to kick in with money.

According to columnist Victor Riesel, Reuther is planning a campaign for state unemployment benefits for strikers. He first wants states to consider

striking as "unemployed" and then he'll seek shorter waiting periods and higher benefits.

Four states now provide unemployment benefits to striking union members. New York, New Jersey, Rhode Island and West Virginia are so distinguished. The issue was hot in New Jersey, where it passed just last year. The party which controlled both houses of the legislature was soundly defeated in a November election and some observers ascribe this to the unemployment-pay-for-striking issue.

Taxpayers and voters have had to stomach an awful lot in the name of welfare, but a strike subsidy is too much.

Unemployment pay for strikers... that is like handing out dynamite to rioters.

The drain on the union treasury and the strikers' himself, after all, among the forces that lead to union-management settlements of strikes. Neither side can sustain the resulting losses. If union members were paid to stay off the job, with strike benefits bolstered by unemployment pay, the balance of power in labor negotiations would shift so decisively that economic chaos would result.

Then you might hear a union leader using this threat: "We're going to stay off the job until our unemployment benefits run out." Then we would have a Welfare State for sure.

## Attend The Church Of Your Choice

## View from your Window

What do you see from your window? Another house across the street? A wheat field? A pine forest? A placidly flowing river, or an endlessly crashing sea? Your view, of course, depends on where you live.

The kind of church you go to—whether it is Gothic in style or white frame, a pale pink stucco built in a Spanish manner, or a domed cathedral, depends, too, upon where you live.

But whatever the size... whatever the shape... the Church is the Church. God's House assumes many forms on earth, but in all of them you will find His teachings, His word, His spirit.

Go to your church next Sunday.

## COUNTIES TO SHARE INCREASED REVENUE

LANSING — Michigan's 83 counties will receive an estimated \$24-million-in-additional revenue from the Motor Vehicle Highway Fund in 1969 as a result of recently passed increases in the state gas and weight tax, the State Highway Commission reports.

The Highway Commission said the county share, totaling \$96.8 million in 1967, will increase to an estimated \$105.4 million in 1968 and an estimated \$120.8 million in 1969.

Crawford County received \$371,666 in 1967 and will receive an estimated \$394,956 in 1968 and an estimated \$452,584 in 1969. The estimates are based on predicted economic conditions and

should be used with caution in preparing budgets and construction programs.

Municipalities, which received \$49.7 million in 1967, will get an estimated \$59.5 million in 1968 and an estimated \$71 million in 1969.

The state share, totaling \$129.9 million in 1967, will increase to an estimated \$142.3 million in 1968 and an estimated \$163.4 million in 1969.

The governmental units will share a full year of increased gas tax revenue this year. Weight tax increases take effect next November and the full amount is reflected in 1969 estimates.

## BITS O' TALK

Radioman SA Joe Renaud arrived home January 13th from Bainbridge, Md. to visit his parents, Mr. and Mrs. Joe Renaud until February 4th when he leaves for Adak, Alaska.

Attending the Second District Association of Supervisors and County Clerks meeting, which was arranged to include township officers also, were Bernard Fowler, Eureka Stephan, Bill Miller, Leo Lovely, Mary Venus, Marie Duby, Bill Koernke and Robert Hayes. The meeting was held last Thursday at the Park Place Inn, Traverse City.

Howard Taylor left Friday to spend the weekend in Battle Creek where he attended the MEA political meeting. Mrs. Taylor and two children went as far as Jackson with him so they could spend the weekend with her parents, Mr. and Mrs. Ronald Taylor.

On Wednesday, January 17, Alicia Taylor daughter of Mr. and Mrs. Howard Taylor celebrated her 5th birthday by having six of her little friends in. They were Paula Dosch, Jeff Stampfly, Scott Rasmussen, David Cox, Susie Prause and Shawn McDaniel.

Mr. and Mrs. Joseph Robine had as their guests for the weekend their son and wife, Mr. and Mrs. Robert James Robine and sons Bobby and Joey of Roseville. The previous weekend Robine's brother and wife, Mr. and Mrs. Regis Robine of St. Clair Shores were guests. They are building a cottage in Harrison, at White Sands Beach.

Thorvald G. Sorenson, technical director of the Department of Radiology and Medical Isotope Division, Woodward General Hospital, Detroit, was honored by being presented the Silver Distinguished Achievement Award for his work with the U.S. Public Health Service in establishing proposed training and safety standards on radiation controls as applied to humans. The award was presented at the recent national convention and seminar of American Radiology Technologists and National College of Radiography Technologists. Thorvald is a brother of Mrs. Jerome Kessler of Grayling.

Weekend guest of Mr. and Mrs. W. O. Hildebrand at Lake Margrethe was Miss Bunnie Brown with the Conservation Department at Lansing, who came for some skiing at Bear Mountain. Skyline and Boyne Highlands with Mrs. Hildebrand.

Mrs. Herb Ferguson found an item concerning a 1902 deer hunting fatality near Frederic in a new scrapbook which she purchased in Kalkaska not long ago. The article had appeared in the Kalkaska paper and seemed to be quite old.

Mrs. E. Campbell and daughters of Detroit spent the weekend with Mr. and Mrs. Roy Boone. Mrs. Campbell used to be a neighbor of the Boones.

## County Receives \$32,592.51 Tax on Conservation Lands

LANSING — The State Conservation Department this week sent out a record \$806,400 to 77 Michigan counties as payments in lieu of 1967 taxes for about four million acres of state lands under its jurisdiction.

Tax checks going to the counties total about \$400 more than the previous high paid by the Department last year. As set by law, they are based on a standard rate of 20 cents per acre for such conservation properties as state forests, parks and recreation areas, public access sites, and wildlife areas.

Northern counties above Townline 16 again drew the biggest share of the payments, nearly \$793,300, as the result of their having the largest amount of purchased, tax-reverted, and gifted state holdings. Upper Peninsula counties are getting \$403,715.78 while those in the northern Lower Peninsula are on the receiving end of \$389,562.14.

The remaining \$13,130.39 was parceled out to counties in the southern Lower Peninsula below Townline 16 for their comparatively low acreages of tax-reverted and gifted state lands administered by the Department.

By the end of February, the Department is scheduled to distribute about another \$400,000 among southern Michigan counties. These later payments in lieu of taxes, pegged exactly to prevailing local millage rates, will cover "purchased" state lands in that part of the state. They will be forwarded directly to township treasurers. By contrast, the payments made this week were mailed to counties. From there, they will be prorated among school districts and townships according to their acreage of state lands.

Crawford County's share in the tax payments amounted to \$32,592.51.

## Area Conservation Law Chief Named

ROSCOMMON — Promotion of Harley R. Burris from Conservation Officer to Area Conservation Officer is announced by C. Troy Yoder, Region II conservation Department Manager. Burris will make his headquarters in Kalkaska and will direct and coordinate conservation law enforcement in Crawford, Kalkaska and Missaukee counties. He will assume new duties on February 4.

Burris, age 52, served as an Air Force Officer in World War II and has been a conservation officer for 22 years. He has had assignments in Presque Isle and Charlevoix counties. He and his wife, Edna, will reside in Kalkaska.

According to G. J. Bennett, Region II Law Supervisor, the position of Area Conservation Officer was created to provide more efficient conservation law enforcement. Each area officer will be a working supervisor

## CRYSTAL BALL AT ROSCOMMON JAN. 27

The annual Crystal Ball, sponsored by the Women's Auxiliary of the Chamber of Commerce will be held at the Gerrish-Higgins High School gym on Saturday, January 27th.

For the first time, this year the proceeds from the Ball will be used for a tuition scholarship to a worthy senior boy or girl who plans to attend the opening year of Kirtland Community College.

## Kiwanis Club Notes

(Continued from page 1)

Fick was the recipient of a plaque in appreciation of his work as chairman of the recent Boy Scout fund raising project. Chuck noted that over \$900 was collected by the many workers who helped in the project.

Terry Wyers, Jaycee president gave us a brief background and accomplishments of the Jaycees since their start in early 1966.

A very interesting movie was presented by Chuck Fick concluding the evening's activities. It gave us a little better insight into the workings of Jaycees and the magnitude of their organization. The meeting was adjourned at 7:50 p.m. by president Doty.

## M.S.E.A.

(Continued from page 1)

Following the showing, Mrs. Dutton then requested those present to break up into smaller groups for intensive training. Babb with the assistance of Helen Koskinen and Clinton Dodge, directors-at-large met with presidents and vice presidents of the various chapters while Julia Baker, State M.S.E.A. secretary - treasurer, conducted a training session for chapter secretary - treasurers. Other sessions were conducted by Newcomb on membership, Lillis and Pickett on public relations, Fitch and Hilliker on labor relations and employee relations.

After the training sessions were completed, members gathered again in the Viking Room for a general wrap-up of the seminar and training session.

While the actual members of the group were holding the seminar, their spouses were conducted on a special tour of the area by David Ditts, regional naturalist of the Michigan Department of Conservation with Ernest Larson and Cecelia Andrews of the Grayling Chapter of the M.S.E.A. as host and hostess. The tour included a trip through the Memorial Building at Hartwick Pines State Park by Wendell Hoover, Park naturalist and interpreter, as well as a tour through the Fred Bear Museum at Bear Mountain arranged by Charles Kroll. Later this group enjoyed coffee at the Chief Shoppenagons before breaking up for shopping or resting.

At 7 p.m. the entire group met at the American Legion Hall where the members of Grayling Chapter No. 83, O.E.S. served a bountiful and delicious buffet dinner to the group. Wayne Tennant of Gaylord served as toastmaster for the banquet introducing all members of the Central Staff, State officers, and many regional directors from other areas who attended. Guests were present from as far away as Kalamazoo, in the southern Lower Peninsula to Hancock in the Upper Peninsula.

Entertainment for the evening was the appearance and performance of Roscommon's famous Sugar Adelines under the direction of Janet Louisa. Their singing delighted all and their selections were varied from humorous to serious to rollicking. A check was presented to them

## Announce Engagement

Mr. and Mrs. Ailey Kemp of Houghton Lake announce the engagement of their daughter Rosemary Maude to Dean Wayne Bedtelyon, son of Mrs. Era Bedtelyon of West Branch. Rosemary is a practical nurse at Mercy Hospital in Grayling. Her fiancé is employed at the Buick plant in Flint. A summer wedding is planned.

## Cancer Society

(Continued from Page One)

ly. These were agreed to. Mike Taylor of Cadillac, Division Representative of the American Cancer Society, made a suggestion as to timing of the drive, and also suggested that the local budget include taking more persons to the State and national meetings.

He also reported on the number of deaths from cancer in Crawford County since 1960, the last date on which the Health Department released any figures, there being 12 in 1960, 10 in 1961 and 62, 7 in 1963, 6 in 1964, 7 in 1965 and 11 in 1966.

The date of April 1st was set as the time for the kickoff luncheon, to be held at the Penguin Inn again this year. The affair is sponsored by the Penguin and the Grayling Bank. The fund drive will run during the first week of April, Mrs. DuBois reported.

## Cluster Board to Meet Thursday in Lake City

A meeting of Cluster Board members is scheduled for this Thursday, January 25 in the Milwaukee County Courthouse at

## Lake City, at 8 p.m. in the Supervisor's Room.

Director Dale LeGarde states that an Administration Grant for 1968 has been approved, and increased to provide funds for additional activities. At Thursday's meeting the annual report

## will be given and the proposed new budget decided upon. A

to be considered are the rector's contract, and new projects that have national importance. LeGarde states that he believes 1968 will be a progressive year for OneCap and its programs.
